## OBJECTIFS D'APPRENTISSAGE

By the end of the e-learning course, participants will be able to:

- Experience the effects of alcohol on driving performance by using virtual reality glasses,
- Understand statistics and the impact of drinking and driving on people's lives,
- Identify drinking and driving as a key risk factor causing road traffic crashes amongst communities and stakeholders,
- Know more about legal frameworks around drinking and driving in South Africa.

## CONTENU ET STRUCTURE

The e-learning course is divided into 4 modules and a final evaluation of knowledge. This course offers a virtual reality learning source. Modules are:

1- Road Traffic Injuries

2- Drinking and Driving. Learning resource: 360 video on the effects of alcohol in driving performance.
